

U5 Families,

I wanted to send out a reminder about spring registration. The early registration discount ends after November 30th, so please get your paperwork and payment in soon. You can mail or drop it off at the Mail Stop, located across the parking lot from the Krikorian theater.

The format for spring is more of a traditional team format. Your child will be assigned to a team and will play with that team and coach for the entire season. A schedule of games will be published with a break for the two weekends of the Capistrano school district spring break, April 7th and April 14th.

The cost of the season is only \$50 because the expenses for the season are lower. There are no team pictures, no trophies, and the players use their fall uniforms. The only practice that teams will hold is immediately before their game on Saturday. If there are enough players and coaches for both boys and girls, we will form separate boys and girls teams. Last year's spring teams were coed and selected by a coach draft, with each team having equal numbers of boys and girls. We had 16 teams that played an 8 game schedule. The season began on March 12th and ended May 14th.

We've had a number of people mail in or drop off their forms but we need more of you to send your paperwork in as soon as possible so that we can start our spring planning.

Coaches, please contact me as soon as possible if you are planning to coach.
